Special State Award Notes:

- The Boy and Girl choices are irrelevant since youth do not get State Association memberships
- The “Filter by USBC Membership” is irrelevant since USBC awards only go to sanctioned leagues and subs in sanctioned must also be USBC members.
- Some State Awards still require Secretary evaluation and participation:
    - Some are once in a lifetime awards (which the software e does not know.)
    - A few, like Triplicates, Dutch 200s etc. are not in this list because the software cannot identify them. (Compare this list to the State Award form)
- Officially, the state awards require completing their award form for each. (This report helps trigger this.)
- Also note that State officially expects forms within 30 days of the night of the bowling, so Award reports should be run regularly.

To Add Local Association Awards, select the “Local Assoc. Awards” tab and use the “Add Award” icon to add each of the following. (Note that Chicagoland allows Secretaries to submit the CDE BLS reports as an alternative to / attachment for their award form.)
